REQUEST FOR WITHDRAWAL OF FINALITY AND

NEW NON-FINAL OFFICE ACTION

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

BOX AF

Sir:

This is in response to the Office Action mailed January 11, 2006, having a period for response set to expire on April 11, 2006.

Applicants respectfully note that this Office Action does not address the issues presented in the Request for Withdrawal of Finality and Request for Reconsideration filed January 6, 2006, and therefore, applicants respectfully request a new Office Action, consistent with the same.

It would appear that the Examiner issued the outstanding Office Action after a sufficient amount of time had lapsed for receipt of the hand-delivered response of January 6, 2006, which applicants also note was filed only 5 working days after applicants filed request for new Office Action of December 29, 2005.

In addition, it is respectfully submitted that the Request for Withdrawal of Finality and Request for Reconsideration filed January 6, 2006 is equally applicable to the outstanding Office Action, as the Examiner has merely replaced the previously relied upon Official Notice with a cited reference. The contents of both responses are incorporated by reference herein.

Serial No. 10/635,682

Docket No.: 1293.1860

In addition, applicants again note, as previously noted in the Request for New Office Action, filed December 29, 2005, and the Request for Withdrawal of Finality and Request for Reconsideration, filed January 6, 2006, the Examiner has not set forth a proper § 103 analysis, and the Examiner is continuing to fail to respond to applicants previous comments.

Again, Applicants respectfully request the Examiner particularly respond to each and every non-obviousness remark presented by Applicant, as presented in at least both previous responses. The Examiner should further note that failure to address, or rebut, the same should be considered an acquiescence of applicant's arguments, thereby supporting the conclusion of non-obviousness.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
